

# — CATALOGUE OF THEMES —

A full, timestamped catalogue of all the musical themes in the *Fantastic Beasts* series. The timestamps refer to the times they appear on the released soundtracks on Spotify, and were taken manually and thus, may be prone to slight human error, however, I have striven to avoid this. This catalogue is a definitive guide to every appearance of every theme in every film, be it character, creature, location, or idea.
